

CITRUS DEGREASER

PRODUCT CODE: 009-CITDG

CONCENTRATED GREASE AND OIL STAIN REMOVER

PRODUCT DESCRIPTION

Citrus Degreaser is an environmentally safe, citrus based, biodegradable, concentrated concrete degreaser and cleaner designed to remove even the toughest deposits of dirt, grease, grime, oil stains, and other contaminating fluids from concrete surfaces. **Citrus Degreaser** is formulated to be used in exterior and interior applications for general clean up and as a pre cleaning solution prior to etching or mechanically preparing a concrete surface.

BENEFITS/FEATURES

- ◆ Formulated as an economical, concentrated solution which can be diluted up to 1:10 with water.
 - ◆ Pleasant citrus scent allows for easy interior use.
 - ◆ Safe for use with most mechanical scrubbing machines and cleaning equipment.
- ◆ Biodegradable solution that easily dissolves hydrocarbons such as grease and motor oils.

RECOMMENDED APPLICATIONS

Citrus Degreaser is recommended for use on all forms of concrete, paver, and masonry surfaces including broom finish and exposed aggregate driveways, garage and warehouse floors, patios and walkways, and etc.

TECHNICAL INFORMATION

Solids.....	N/A	Wet Appearance.....	Clear
Drying Time.....	Refer to Directions	Dry Appearance.....	n/a
Re-Coat Time.....	n/a	VOC Content.....	<100 g/l
Foot Traffic.....	Refer to Directions	Blush Resistance.....	n/a
Wheel Traffic.....	Refer to Directions	Solvent Resistance.....	n/a
Application Temp.....	40°F - 85°F	Concrete Adhesion.....	n/a

***Please note that low air and/or concrete temperatures and/or relative humidity may extend drying times. Follow recommended coverage rates for best results.

SPECIFICATIONS/COMPLIANCES

Citrus Degreaser is VOC and OTC compliant in all areas of the United States and many foreign nations.

APPROXIMATE COVERAGE RATES

<u>Application Surface</u>	<u>First Coat</u>	<u>Optional Second Coat</u>
New and Old (unsealed) concrete	100-150 ft ²	100-150 ft ²

*Coverage rates vary depending upon surface porosity and texture, and application method. Excessive build up should be avoided. Please note that product can be diluted up to 1:10 with water yielding up to more than ten times the coverage rate per gallon purchased.

SHELF LIFE

Citrus Degreaser has a shelf life of one year in it's original, sealed, unopened container.

PACKAGING

Citrus Degreaser is packaged in 1 gallon jugs, 5 gallon pails, and 55 gallon drums.

INSTRUCTIONS FOR USE

Preparation: Sweep the area to be cleaned free of trash and debris. Protect all areas not to be cleaned. Mask off all adjacent surfaces with painter's tape or plastic duct tape. If needed, use a plastic or coated cardboard as a spray shield. Scraping off excess deposits may be necessary prior to application.

1. Use **Citrus Degreaser** straight for tough degreasing or dilute up to 1:10 with water for lighter duty cleaning
2. Pre wet the surface to be cleaned with clean water. Using a masonry wash brush, apply **Citrus Degreaser** at a rate of 100-150 square feet per gallon depending upon the porosity of the surface. When using on vertical surfaces, apply from the bottom to the top. Allow Citrus Degreaser to remain on the surface for approximately 20 minutes.
3. A stiff bristle brush should be used to work-in and agitate any heavily soiled areas to help break the bond from the substrate.
4. Flush the cleaned area with water. A commercial high PSI and GPM pressure washer is the recommended method of flushing the cleaned surface, however, a garden hose with high pressure spray head will work sufficient as well.
5. Repeat process as necessary. For heavy stains still left in concrete, spot clean using **Citrus Degreaser** undiluted. Agitate and flush again to remove.

Please note: Although **Citrus Degreaser** is a biodegradable product, it may still pose a threat to plant life. Please test prior to use in areas where this may be an issue.

CLEAN-UP

Use warm soap and water. Dispose of containers in accordance with local and federal regulations.

PRODUCT REMOVAL

Not applicable.

PRECAUTIONS AND LIMITATIONS

- ▶ **Citrus Degreaser** can freeze during storage. Storage in area between 50 F and 85 F recommended.
- ▶ **Citrus Degreaser** is not a stripper and may not emulsify acrylic, epoxy, urethane, or any other coating.
- ▶ **Citrus Degreaser** is non-corrosive and will not attack aluminum or other metal surfaces.
- ▶ It is not recommended to apply **Citrus Degreaser** over carpet, tile, and other types of floor adhesives.
- ▶ Coverage rates depend upon many conditions including application method, surface porosity, applicator, ect.
- ▶ **Citrus Degreaser** was designed for interior concrete and exterior concrete.
- ▶ **Citrus Degreaser** may be diluted. Note, the higher the dilution rate, the less strength to clean.

SPECIAL NOTES

Please consult Material Safety Data Sheet (MSDS) and read Warranty information prior to use. This information can be requested by contacting customer service at 615-323-9461.
